

ADVERTISING AND DONATION REQUEST FORM

Thank you for including Tindol Ford Subaru ROUSH in your request! Since we've been around Gastonia since 1974, we've been very fortunate to be included in many exciting projects and meaningful activities over the years. In order to keep our budget in check and still allow as many donation opportunities as possible, we need you and/or your organization to answer a few questions. Our committee meets twice a month to consider all applications that are received. We ask that you answer all of the questions provided in order for this application to be considered. This helps us get as much information as possible about the groups and causes that we are able to help. You are welcome to attach any flyers or information about your organization to this application.

We LOVE to give back and we are so thankful for all the wonderful people in our community who help make the world a better place! We have a HUGE Community Outreach program and hope that we can fulfill your request, but we appreciate your understanding in the event that we are unable to accommodate every request received.

If your application is approved and we are able to assist with your need, we will contact you. Please put the appropriate contact information here:
